NEWSLETTER #2

Waheguru Ji Ka Khalsa Waheguru Ji Ki Fateh.

I hope the Sangat found the first newsletter informative.

It appears that many members (especially those with hotmai.com accounts) did not receive the newsletter, as many Hotmail accounts returned as undeliverable. As well, a few more names have been added to the email list, on their requested. In view of this I am attaching the first newsletter again. Those who did receive it, please delete or ignore it.

Sarvjit Goraya gave some of us a preview of the Gurdwara website, and it looks very impressive, but simple to navigate. There are a few more technical details to be sorted out, but these will hopefully be resolved before end of this month.

In the meantime contact details are: mrjibassi@hotmail.com (for Langar /function bookings); anagi82@gmail.com or sidhu8537@gmail.com (for general enquiries)
